

PLEASE BE SURE EVERY CHAPERONE RECEIVES A COPY OF THIS

To All Chaperones:

Thank you for volunteering to be a Chaperone for your Bethel Daughters during Grand Session. Your help with the following can make this weekend fun and problem free.

One chaperone should be appointed to keep the Bethel copy of the Emergency Medical Permission slips while at Grand Session. Drivers should have them from the trip to and from Green Lake. All should be stored in a sealed envelope.

- Daughters and all adults must wear their name badge to all meetings, rehearsals and meals.
- Daughters should wear a dress or skirt to all meetings and meals – with the exception of the Recognition Luncheon on Saturday, which is casual.
- All hotel property should be treated carefully. Should any damage occur, it is your responsibility to report it immediately. (Any "decorating materials" toilet paper, crepe paper, etc. should be brought from home and a color other than white). Your supervision will ensure that hotel property is not damaged by any of the fun.

Any Daughter leaving the Grand Session hotel must be accompanied by a Chaperone. NO EXCEPTIONS.

Chaperones need to chaperone - assigned adults need to know where their girls are at all times and what they are doing. We are counting on you to ensure that the girls enjoy Grand Session and that the conduct and appearance of your Bethel Daughters will be a credit to the Order at all times.

Thank you!
